

Audurra™ Sanding Seat

Body-shop Equipment

Description:

The Audurra sanding seat provides a comfortable working position, especially when working at difficult angles. It has a universal seat with gas springs, which makes the stool adjustable in height, and comes with a large magnetic tool tray in which you can easily store tools and small parts. The stool has a large seat area, which makes it very comfortable.

Features:

- comfortable, height adjustable seat
- vinyl covering which resists oil, grease and dirt
- Large magnetic tool tray holder, for easy access to your tools and small parts
- weight: 8,1 kg
- working height: 46.5 cm to 57.5 cm
